

FISCAL NOTE

SB 1561 - HB 1229

March 13, 2001

SUMMARY OF BILL: Allows the Tennessee Bureau of Investigation to expunge from the Sex Offender Registry and from monitoring requirements defendants who had their records expunged at the conclusion of a pretrial diversion. Previously, such action would require a separate court order.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant

Assumes reduction in monitoring for the TBI and in court proceedings, however, the decrease is not significant since sex offenses eligible for pretrial diversion are limited.
